

Looking for an internship or your first job?

Stop sending the same résumé everywhere.

Twin-Seeker is an AI job-search assistant that helps you tailor every application to the role.

✓ **Find roles that fit you**
Fresh internships and jobs from LinkedIn, Indeed, Glassdoor and company sites, ranked by fit.

✓ **Tailor every résumé**
See every change and the keyword match. It never invents experience.

✓ **Cover letters in your voice**
Drafts of cover letters and recruiter messages that you review and approve.

✓ **Practice the real interview**
Questions drawn from the actual job posting, with a scored debrief.
